## **TRAFFIC SWITCH WILL CLOSE EASTBOUND AUXILIARY LANE ON HIGHLAND AVENUE BETWEEN CALIFORNIA AND MACY IN SAN BERNARDINO FOR SIX MONTHS**

Continuing improvements to the State Street storm drain system and the widening of Highland Avenue in San Bernardino will require the eastbound auxiliary lane on Highland between California and Macy to be restricted from traffic or parking for the next six months. Starting immediately, motorists will no longer be able to use this lane on Highland Avenue for parking, postal drop-off or other business activities.

Traffic has been relocated to the south side of Highland following the recent widening of the street. This traffic shift is to prepare for storm drain work and widening of the north side of Highland next year.

For more project information, call the Route 210 toll-free helpline at 1-866-HELP-210 or visit the SANBAG website at [www.sanbag.ca.gov](http://www.sanbag.ca.gov). SANBAG and Caltrans appreciate your patience during construction of this new freeway. Please allow extra time when traveling through the construction area and follow all signs and detour routes.
